The Lake of the Woods School District offers the online payment processing system, PaySchools. Through this system, you can access PaySchools through the school's web site at [www.lakeofthewoodsschool.org](http://www.lakeofthewoodsschool.org) and pay for school-related fees including Community Education activities/classes and products online, either by e-check or MasterCard, Visa or Discover cards. You will immediately receive an e-mail receipt confirming your purchase(s). PaySchools does not save or store bank or credit card information to ensure privacy and security for users.

PaySchools offers you the ease of being able to make purchases 24 hours a day/7 days a week, the security of knowing the school has received payments, the protection of sensitive account information [credit card and bank account numbers are not stored in the database], and the convenience of having records of purchases and payments available online. Schools save significant labor costs by reducing manual processing of payments and handling fewer checks.

#### **Items that may currently be purchased online include:**

- Athletic Fees
- Community Education Fees
- ECFE
- School Meal Account
- School Fees
- Weight Room Fees

To make payments log onto [www.lakeofthewoodsschool.org](http://www.lakeofthewoodsschool.org) and click the "Pay Online" link on the bottom of the screen under QUICK LINKS.
