

## Overview

The ParentVUE and StudentVUE mobile apps help parents and students stay informed and connected by providing day-to-day insight into the student's academic experience. The ParentVUE and StudentVUE mobile apps work with Synergy SIS in the same way as the ParentVUE and StudentVUE web applications. It allows parents and students to view upcoming school events, classroom happenings, assignments, tests, and academic performance.

- ParentVUE and StudentVUE mobile apps are free applications.
- The following images are from an iPad. Android devices might display minor differences in appearance, but the functionality is the same as in iOS.

## Hardware and Software Requirements

- Only school districts using Synergy SIS version 10.5 and higher can support the ParentVUE and StudentVUE mobile apps.
- Your device must access the internet through a wireless or data connection.
- The ParentVUE and StudentVUE mobile apps use the same user login as the web-based ParentVUE and StudentVUE applications.

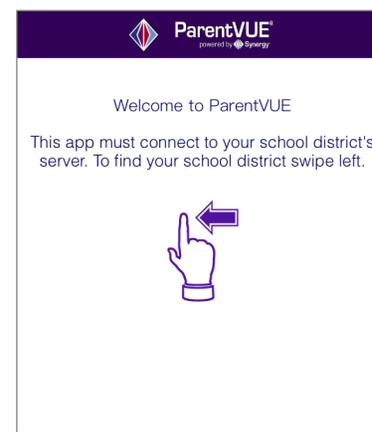

- Your screens might not look exactly like those shown in this guide. Screens vary slightly by device.
- Check the [Apple App Store](#) and [Google Play Store](#) for the latest versions of the mobile apps and supported operating systems.
