

Using Daily Survey in ParentVUE

Parents can report an absence and fill out Daily Survey on the Daily Survey screen.

NOTE: Upon login, if the student has not taken the survey, the parent is prompted to fill out the survey before proceeding.

1. Log in to **ParentVUE**.
2. Tap **Report Absence** to report a student absence.
3. Select or enter the appropriate information.
4. Tap **Submit**.

The screenshot shows the 'Daily Survey' interface. At the top, there is a purple header with 'Daily Survey' and a 'Logout' link. Below the header is a light blue box with an information icon and the text: 'Please answer the questions below before your student comes to school. Any YES answer please keep your student at home.' The main content area is white and features a profile card for 'Susan' on the left, which includes a 'No Photo' placeholder, the Edupoint logo, and a 'Report Absence' button. To the right of the profile card are six numbered questions, each with 'Yes' and 'No' buttons (except for question 6, which has a text input field):

- 1. Fever, cough, chills and/or muscle aches
- 2. Close contact or cared for someone with COVID-19
- 3. Nausea, vomiting and/or diarrhea
- 4. Shortness of breath and/or headache
- 5. Loss of taste or smell
- 6. Student's temperature

A green 'Submit' button is located at the bottom center of the form.
