1. Administrative staff, Becky, Jill, Tracy, as well as Sam

- a. Huge help during transition
- b. Enormous thank you's to them all, they have all gone above and beyond with taking on new things and helping me through learning curves while experiencing them themselves.

2. Scheduling

- a. ES and HS discussions - thank you to the number of staff members that have stopped in and have provided ideas and proposals
- b. Our staff has been working so hard preparing for the school year. I have seen numerous members in the building coming in to prepare for our students as well as great conversations happening from home. Thank you to you all who are going the extra mile.
- c. Tracy has been outstanding with managing the influx of student emails that came in prior to my hire and has helped work closely with me to get students' class schedules on track. She has trained me on our systems in place to be able to check schedules and transcripts and has dealt with my thousands of questions. Thank you Tracy!
